

Year 4 Learning Log – Spring Term

Tasks to complete regularly. 'Little and often' is the best way.

Reading:

Remember to **read** out loud and record in your reading record. Do this at least 3 times a week.

You should read your home reading book. If you finish this why not try a book from home or a library book etc....

Mathematics:

Remember to use your TTRock Stars account to practice your tables for 10 mins every night. You will also be given a multiplication table to learn each week. You will be tested on these in school on a **Friday**.

Use the Mathsframe times table online activity to practice your times tables in preparation for our National Test this year.

Spellings:

Practise the list of spelling words every week.

Your spelling test will be on a **Friday**

Can you read and spell the common exception words for Year 3/4?

In addition, **choose 1** of the following tasks to complete each week.

If you have another idea please use this. When the tasks are finished please take a photo and pop it on Class Dojo. You may want to add photos or any leaflets, certificates etc that helps further explain any of the tasks.

Find out about the composition of the Earth. How it is divided into layers and present your findings as a power-point, poster, project etc....

Research and Present!

Research Different Mountains or Mountain ranges around the world. Make a power-point, large poster, report etc. showing the climate, the animals and plants and people that live there. You could include illustrations such as maps and pictures to improve the presentation.

Find out about Volcanoes and create a mini-project or power-point or fact-file with poster of different volcanoes. You can either do this on famous volcanoes or different types of volcanoes (e.g. shield and stratovolcanoes). Include illustrations to support your work.

Why not try making a model of the Earth like in these pictures.

(There are different ways to make these. Try a google search to pick the way that you think you would like)

Idea(s) of your own choice

The Homework deadline for the week is **Friday, where children will have opportunity to share their homework tasks with an adult and their friends!**
