4<sup>th</sup> January, 2022.

Dear Parents Carers,

We would like to wish you a Happy New Year and hope you have been able to spend quality time with family and friends over the Christmas break.

I am currently updating our risk assessment for the spring term to ensure we have the correct measures in place to keep the whole school community safe. We will be following the same national guidance of the seven-day isolation period with a negative lateral flow result on day 6 and 7. Your child then may return to school if they are well enough to do so.

I would kindly ask that you carry out a lateral flow test with your child before they return to school on Wednesday so we can keep running as smoothly as possible this term.

School will be fully open on **Wednesday 5<sup>th</sup> January 2022**, including our afterschool club and breakfast club. I look forward to seeing everyone back in school for an exciting term.

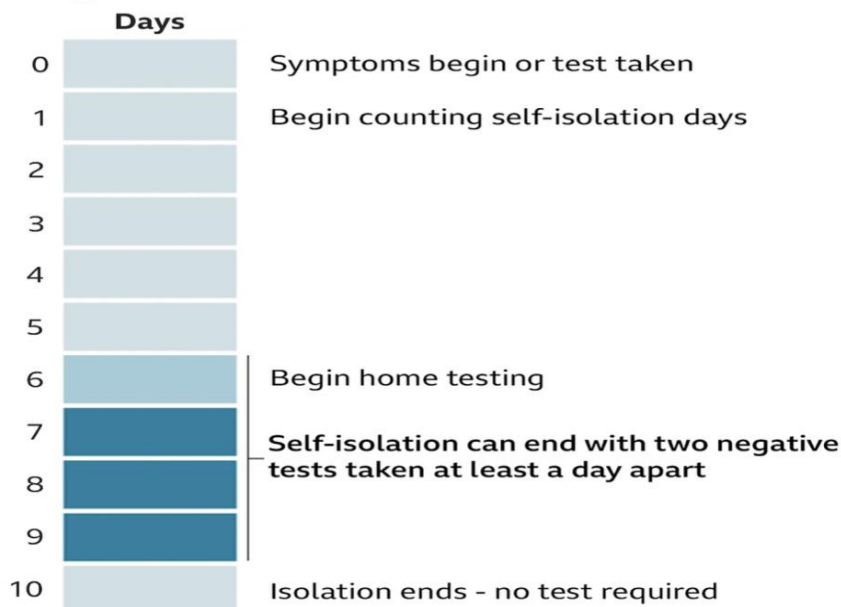

If you have any queries, please contact the school office or email [enquiries@saintbernadettes.wigan.sch.uk](mailto:enquiries@saintbernadettes.wigan.sch.uk) and we will be happy to help.

Take care and stay safe,

H Crowder
