## Friends of St Bernadette's, Shevington

### HELP NEEDED!

The Friends of St Bernadettes love organising events for the children to increase community spirit and raise money for items the children need which the school doesn't have budget for. Each year we try to organise a Fayre, 3 discos, 7 cake sales, a BBQ, organise Christmas cards and a trip to the Christmas markets in Manchester. Whilst the team are happy to organise these events they can only be run if there are enough helpers on the day, to man the stalls and ensure the children's safety. We would love more people to get involved in organising the events but appreciate it is not always possible to attend evening meetings, but more importantly without support at the events FOSB will not be able to continue. There are loads of ways you can get involved, if you can't give any time to help us, please consider using the Easy Fundraising website when you do your Christmas shopping online, to date we have raised over £1200 just by clicking!!

Please indicate what support you could give to FOSB:-

I am happy to help at future events

I would like to know when the meetings are taking place

I own a company that would like to sponsor an event or sports kit
