

What are we doing to improve school this year? 2022-2023

Pupils outcomes are at least in line with national average.

Improve quality of teaching and learning of reading.

Embed our approach to the teaching of writing.

To further develop and embed the whole school approach to phonics teaching and reading through Sounds~Write.

To further develop adult interactions in EYFS.

To ensure the curriculum has been revised with clear key knowledge.

To develop assessment strategies to support children to learn and remember subject knowledge.

To support pupils in self-regulation.

Continue to develop subject leadership.

To update electronic safeguarding record keeping procedures.

Reduce unauthorised and persistent absences.

Promote our MHST so pupils know how to keep mentally healthy.

To further develop and embed the whole school approach to PSHE.
