

Year 2 Learning Log – Autumn 2nd Half

Tasks to complete regularly. 'Little and often' is the best way.

Reading:

Remember to **read** out loud and record in your reading record. Do this at least 3 times a week.

You could read your reading book, a book from home or a library book etc....

Mathematics:

You may have an additional maths homework to do on class dojo. This may be practising a particular skill we have been working on in our maths that week.

In Year 2 we recap counting in 2s, 5s and 10s and then move onto counting in 3s. Please practise this at home by chanting or singing the times table or counting out objects using these amounts!

Spellings:

Practise the list of spelling words every week.

Your spelling test will be on a Friday. You will get your new spellings every Friday on Class Dojo.

Can you read and spell the Common Exception Words for Year 2? They are at the bottom of this sheet.

If you see your child doing any "WOW moments" at home that could be added to Class Dojo, please feel free to share it with us. You may want to add photos or any leaflets, certificates etc that show any of your child's achievements.

Thank you

Homework deadline for the week is Friday.
